I had my first microneedling session with Dr. Priya and her lovely team, and honestly, they made me feel so comfortable from start to finish. Dr. Priya explained everything so well and made sure I was at ease the whole time. The clinic is spotless and has such a calm, welcoming vibe.

It's only been two days since my appointment, and my skin is already glowing — my acne scars are visibly fading too! I'm so happy with the results and can't wait to go back for my next session. Highly recommend Dr. Priya and her amazing team! 💖

Thank you Dr Priya Patel !

I have recently had dermal fillers to several areas and I am really pleased with the results ... The brand used was Malia . I wanted to look natural and fresh faced and not over the top .. and Dr Priya achieved this beautifully.. . My face feels firmer , my lips slightly fuller and the lines on my top Lip have definitely improved and are less deep. The clinic itself is lovely and spacious and the decor all modern and trendy with easy parking at the rear. I would highly recommend Dr Priya who put me at my ease and did a lovely job !
