Thank you Dr Priya Patel !

I have recently had dermal fillers to several areas and I am really pleased with the results ... The brand used was Malia . I wanted to look natural and fresh faced and not over the top .. and Dr Priya achieved this beautifully.. . My face feels firmer , my lips slightly fuller and the lines on my top Lip have definitely improved and are less deep. The clinic itself is lovely and spacious and the decor all modern and trendy with easy parking at the rear. I would highly recommend Dr Priya who put me at my ease and did a lovely job !

I've been having my Botox with Dr. Priya Patel for many years now! She always takes the time to listen to my concerns, explains the procedure in detail, and makes sure I felt comfortable at every stage of my treatment. My results are subtle, natural, and refreshing and I still look like myself minus the lines! Priya's years of experience and knowledge and eye for detail are truly amazing! I couldn't recommend Dr. Patel and reform dental more highly. If you're considering Botox, this is the place to go for safe, professional, and beautiful natural results!
